The customer hook

Customers pay just a EUR 3.99 service fee, the lowest in town, shown before checkout. Cheaper than any app, so more orders land on YOUR till, not an big delivery app.

What your driver earns

Takeaway drops pay EUR 5.50 in town, EUR 7.50 ring, EUR 11.00 between-town, and the driver keeps 100 pct of tips. No tip games. Reliable drivers show up because we pay them properly.
